

Welcome to Lincoln-Martí Schools

Welcome to the new school year. This is going to be both an exciting and challenging period for the **Lincoln-Martí** family.

***Our Mission:** Is to provide the best quality education and instill in our students values that will make them better citizens, better workers and better human beings.*

At **Lincoln-Martí** we believe that the quality of any nation, state, city, community and family must be judged by the preparation and advancement of the individuals who comprise them.

***Our Creed:** "Educate children, and you will not punish adults."*

Our system of education is based on the philosophy that successful student growth and development depends on the rationale for guiding such growth. We recognize that children need to develop their need for freedom within limits. **Lincoln-Martí** has prepared an environment that guarantees exposure to materials and experiences that promote the development of intelligence of each child, as well as each child's physical and psychological abilities.

***Our Motto:** "We are a professional team that works with enthusiasm and dedication, trying always to satisfy the educational needs of our students".*
